

NOTICE TO MARINERS

LNtM 2011:05

Issued 29/06/2011

Whitby Harbour - Navigational Aids Upgrade.

Mariners are advised that work will commence on the Whitby Harbour Navigational Aids Upgrade during week commencing 11th July and is expected to take from 3 to 5 days to complete. Please see below Chart which highlights the changes to be undertaken during the Upgrade workscope:-

The necessary work is being undertaken by a specialist contractor along with Trinity House, who have sanctioned the proposal and are being kept fully informed.

Thorough planning has taken place and the Harbour Authority will make every effort to minimise any disruption to Harbour operations. Please take the above changes into account when planning your vessel passage and when navigating within the Harbour and its Approaches.

For further guidance or information please contact Whitby Harbour Watch-keeper on VHF Channel 11, or Whitby Harbour Office on 01947 602354.

Captain Doug Shannon
Deputy Harbour Master
